AVG MRR TRACKED

Your Team Is Drowning in Disconnected Tools

The average enterprise runs 12+ separate SaaS tools that don't talk to each other — creating data silos, wasted budget, and team burnout. Transform.io ends that.

✗ Workday

✗ Salesforce

✗ ServiceNow

✗ Greenhouse

✗ Okta

✗ Jira

✗ HubSpot

✗ Nessus

✗ Outlook

✗ Slack

✗ Asana

✓ One Transform.io subscription replaces all of these

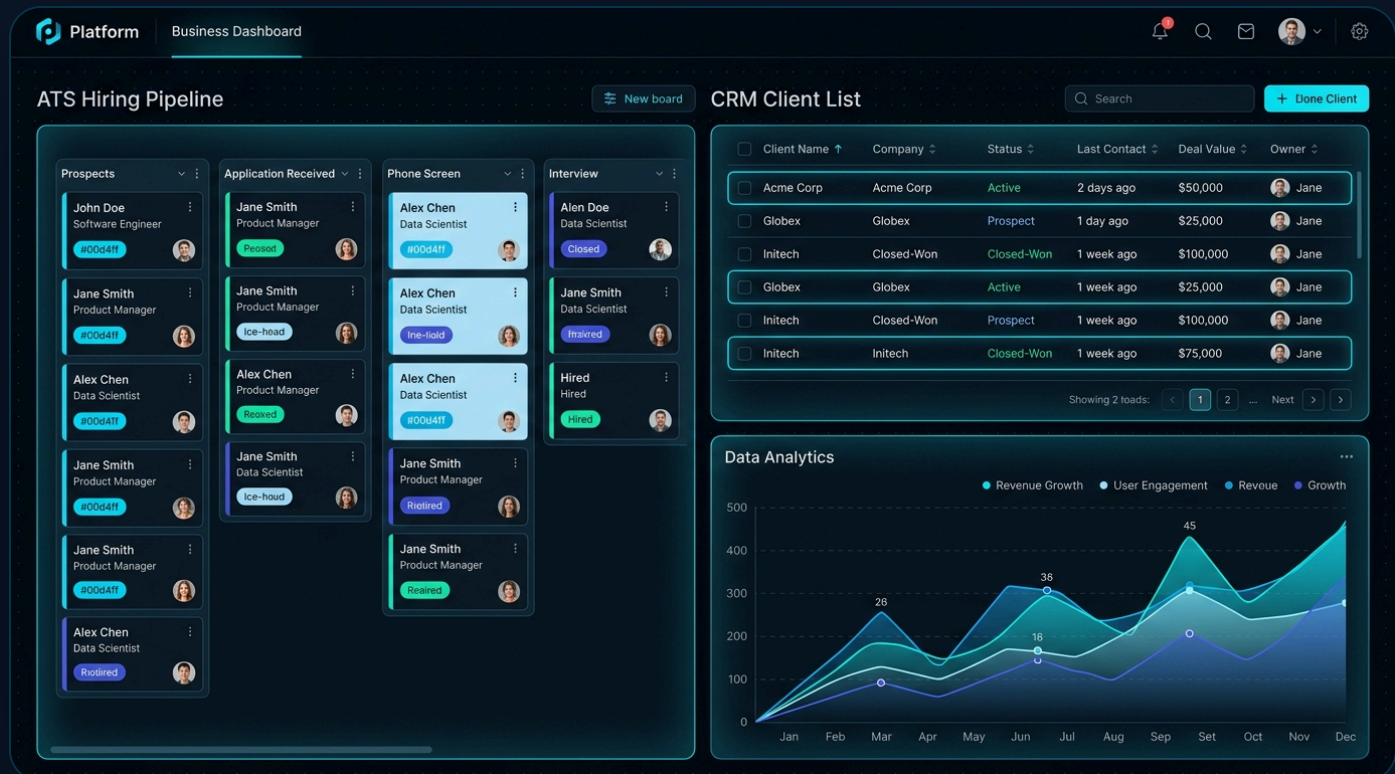

PLATFORM DEEP-DIVE

Every Feature You Need. One Platform.

AI-Powered Hiring Pipeline

Manage every stage of your talent acquisition pipeline with intelligent automation. From sourced candidate to signed offer — all in one Kanban view with AI matching scores and live CRM data.

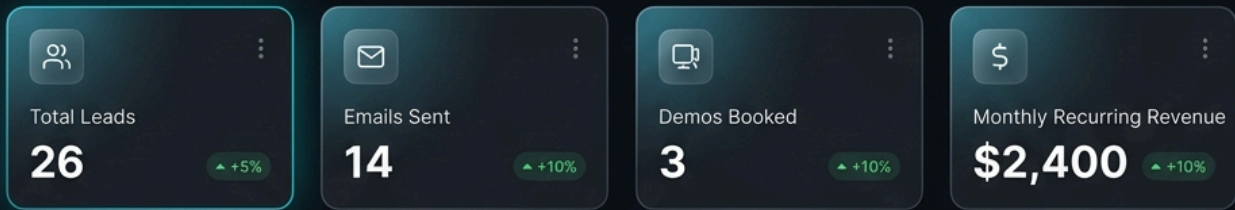

- ✓ AI candidate scoring & ICP matching (0–100 match score)
- ✓ Drag-and-drop Kanban hiring pipeline with stage automation
- ✓ Full CRM client list with deal value tracking
- ✓ Time-to-Fill velocity charts & analytics dashboard
- ✓ Bulk job posting across multiple requisitions
- ✓ Candidate profiles with interview notes & offer management

Your Whole Sales Operation, Automated

An SDR-grade outreach engine with AI-written cold emails, live lead scoring, funnel analytics, and deal tracking. Book more demos. Close more deals. All without leaving the platform.

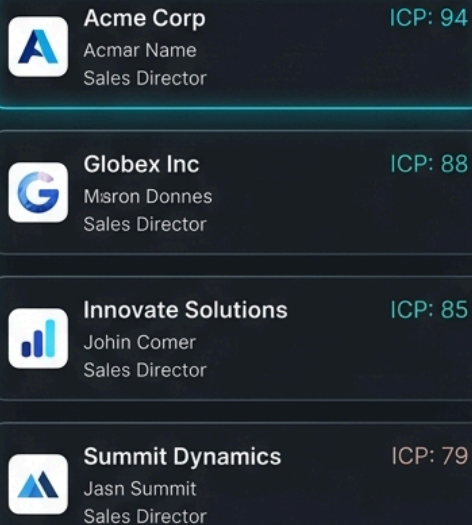

- ✓ AI cold email generator (5 proven frameworks)
- ✓ Live lead pipeline: Prospecting → Qualification → Closed Won
- ✓ ICP match scoring per lead (AI-powered, 0–100)
- ✓ Email open & reply tracking with performance charts
- ✓ Automated multi-step outreach sequences
- ✓ Demo booking integration & deal activity timeline

✓ SLA performance monitoring (96.7% avg resolution rate)

✓ IT Asset lifecycle management & binding to users

✓ Staff online tracking & intelligent incident routing

✓ Automated escalation rules & SLA breach alerts

✓ End-user portal for seamless self-service ticket submission

Transform.io

AI-Powered 3-Pane Inbox

Stop switching tabs. Transform.io's Unified Inbox brings all communications together with an AI Analysis Panel that surfaces deal insights, sentiment scores, and auto-suggested replies — right in your inbox.

- ✓ 3-pane inbox: Folders → Email List → AI Analysis Panel
- ✓ AI email summary & sentiment scoring (92% accuracy)
- ✓ One-click "Generate Reply Proposal" powered by GPT
- ✓ Automated email engagement tracking & analytics
- ✓ Linked to CRM contacts and active deal records
- ✓ Schedule meetings directly from email context

The screenshot displays the Transform.io 3-pane inbox interface. The left sidebar contains navigation options: Dashboard, Inbox (Active, 14), Sent, Drafts, AI Insights (AI), Automation, Analytics, Settings, and Profile (Sarah Jenkins). The main area is divided into two panes. The left pane, titled 'Email List', shows a table of emails with columns for From, Subject, and Time. The first email is from Liam Carter (Vortex Corp) with the subject 'Re: Partnership Proposal', dated 10:48 AM. It has a 'STATUS' tag and three sub-tags: 'PRIORITY', 'OPPORTUNITY', and 'REPLY NEEDED'. The right pane, titled 'AI Analysis Panel', provides a detailed analysis of the selected email. It includes an 'AI SUMMARY' (Partnership discussion for Q3. Strong signal, urgent response advised), 'AI INSIGHTS' (Vortex Corp Q3 Budget (88% fit), Key Decision Maker identified: Liam Carter), and 'AI ACTION' (Generate Reply Proposal, Schedule Meeting). Below these are charts for 'Sentiment' (92% Positive) and 'Engagement Rate'.

From	Subject	Time
Liam Carter (Vortex Corp)	Re: Partnership Proposal	10:48 AM
Sarah Jenking	Project Alpha Update	10:48 AM
Sarah Jenking	Marketing Strategy Feedback	10:48 AM
Liam Carter	Project Alpha Proposal	09:18 AM
Liam Carter	Project Alpha Update	09:18 AM

SOCIAL PROOF

Loved by Teams That Move Fast

"We replaced Greenhouse, HubSpot, and ServiceNow with Transform.io. The AI outreach alone booked us 3x more demos in the first month. Absolutely game-changing for our pipeline."

Ryan Chen

VP Sales, NexusTech Inc.

"Our IT team's SLA compliance went from 71% to 96% in 6 weeks. The command center dashboard is exactly what we needed — real-time, clean, and immediately actionable."

Samira Johnson

IT Director, Apex Corp

"The multi-tenant architecture is perfect for our agency. We provision new clients in minutes, each with their own workspace. It's like white-label Salesforce at a fraction of the cost."

Marcus Klein

CEO, Digital Ops Agency
